Description of Property

The entrance hall features beautiful oak herringbone parquet flooring and a staircase with a polished oak handrail leading to the first floor. Doors from the hallway provide access to the extended kitchen and drawing room.

The drawing room is a delightful dual-aspect space. A beautiful log fire with an oak mantle serves as a focal point, complemented by a large circular bay window overlooking the front elevation and metal/PVC bi-fold doors leading out to the decked terrace and manicured rear garden. Elegant sliding double doors connect the drawing room to the extended kitchen/breakfast/family room.

The bespoke Haka kitchen is both stylish and functional, featuring high gloss mono wall and glass-fronted floor cupboards, custom-made splashbacks with white Corian and SPEKVA worktops in Brasilia safari hardwood. The central island houses a Siemens induction hob, a pop-up knife rack, and sockets. Additional Siemens appliances include an oven, combi oven, fridge, and dishwasher. The kitchen's design maximizes natural light from the vaulted ceiling, Velux roof lights, and the circular feature glazing beyond the dining area, with French doors opening to the garden. The oversized herringbone oak parquet flooring from the hall continues through the kitchen/breakfast room.

The kitchen leads to a utility room with high gloss finish units, additional storage, an integrated fan oven, fridge, washing machine and separate tumble dryer. A side door provides convenient access to the outside, and there is also access to the guest cloakroom and the garage, which features an electric door.

A playroom, accessible from the breakfast room via a sliding door, overlooks the front of the property. This versatile space can be used as a home office or snug, depending on the occupants' needs.

On the first floor, the spacious master bedroom boasts fitted wardrobes for ample storage and a stunning en suite shower room luxuriously finished with a wet showering area, monsoon shower head, 3D ceramic tiling, and an inset storage unit with soft-close drawers. The bathroom features Makti specifications, a Geberit WC concealed cistern, and floor tiles by Architectural Ceramics. A bespoke ripple effect panel in a striking heritage green colour enhances the room's elegance.

The second bedroom is beautifully presented with a Juliet balcony providing a lovely view of the rear garden and ample space for occupants to enjoy.

Bedrooms 3 and 4 both overlook the front gardens and benefit from abundant natural light. Bedroom 3 features a large bay window with a built-in seating nook with shelving built around the window for a beautiful feature, as well as fitted wardrobes for storage.

The family bathroom exudes luxury, with a free-standing bath as its centrepiece, a glazed half-wall splashback, a feature light fitting above, twin hand basins, and a double walk-in shower cubicle completing the boutique-style bathroom.

Garden and Grounds

The property is set back from the road and features a private gated entrance with electric wrought iron gates. The front of the property offers ample parking and includes a garage accessed via a block-paved driveway.

The rear garden is enclosed and primarily laid to lawn, featuring an extensive tiled patio area perfect for outdoor entertainment and al fresco dining. Beyond the patio, the garden boasts well-manicured lawns, mature stocked borders, and a children's play area.
