Description of Property

As you enter this property, you're greeted by a welcoming hallway with porcelain tiled flooring and a spacious cloak cupboard for storage. The hallway acts as the central hub, providing access to the reception rooms and featuring a beautiful solid oak staircase that leads to the gallery landing on the first floor. Additionally, there's a convenient guest cloakroom with a WC and sink, boasting porcelain tile flooring.

To the left of the entrance, you'll find the study, a well-appointed space designed for remote work. Overlooking the private front gardens, this versatile room can easily transform into an additional sitting area or a playful haven, catering to the needs of its occupants.

On the right, you'll find the principal reception room. This elegant space overlooks the front of the property and features a contemporary Memphis limestone and mocha beige stone fireplace, with a high efficiency inset campfire log gas fire, creating a cosy atmosphere. The drawing room connects seamlessly to the dining room through double doors.

The dining room is generously sized, providing ample space for a family dining table. It has direct access to the kitchen area and offers the convenience of indoor and outdoor dining with a link to the rear garden via the patio area. The view beyond the dining room overlooks the paddocks and fields beyond.

The kitchen, breakfast, and family room form a spacious, open living area. The kitchen is equipped with a range of contemporary units and high-end appliances, including a Neff built-in oven and warmer drawer, Neff induction hob, Neff stainless steel extractor fan, Lux Air Island hood, Neff microwave combo oven, wine cooler, Neff dishwasher, and a Neff American-style fridge-freezer. The space features an attractive one-and-a-half Franke stainless steel under-mounted sink with a mixer tap, complemented by Angel White quartz worktops, under and over cupboard lighting, and LED plinth

lighting. The entire area is beautifully finished with porcelain tiled floors. Next to the kitchen is a comfortable family room with ample space for a seating area, and it seamlessly connects to the patio area in the rear garden through bifolding doors, again which overlook the tranquil fields to the rear.

Accessible from the kitchen area is the utility room, equipped with matching contemporary units, Angel White quartz worktops, an integrated washer machine and tumble dryer, and a single Franke inset stainless steel sink. It also houses the wall-mounted boiler.

On the first floor, the landing is spacious and well-lit, providing access to the bedrooms and family bathroom. Bedroom 1, the largest of the rooms, offers views of the rear garden and green land beyond. It features plenty of space and comes with its own walk-in wardrobe. This bedroom also boasts an ensuite bathroom with a bath, shower, WC, and sink.

Bedrooms 2 and 3 are generously sized double rooms. Each includes a walk-in wardrobe for convenient storage as well as their own ensuite shower rooms with a WC, sink, and shower.

Bedrooms 4 and 5 include fitted furniture or a walk in wardrobe for storage and have ample space for occupants to enjoy. Bedroom 4 overlooks the front garden whilst Bedroom 5 overlooks the rear.

The family bathroom and ensuite bathrooms all feature high-quality Utopia furniture, chrome taps, half-tiled walls, fully tiled shower with thermostatic controls, and Karndean flooring.
