Why You'll Love It

Step through the gate and you'll immediately sense the charm of this delightful end-terrace home. Set back from the street with rare off-road parking, Cliffe Road is a property that instantly feels special. The approach is peaceful, framed by a modest front garden and a driveway that offers convenience rarely found in this area. As you enter, the front living room welcomes you with a warm, homely feel. This is a space to unwind—softly lit, with comfortable proportions and plenty of room for relaxed seating. Whether you're entertaining or enjoying a quiet evening, this room sets the tone for comfort. The heart of the home lies to the rear: a great kitchen and dining space, part of the double-storey extension that completely transforms the flow and usability of the property. This is no ordinary terrace. The kitchen/diner is bright and expansive, with generous worktops, cabinetry, and space for a dining table. Access to the rear garden is also from the kitchen/diner, making al fresco dining and summer barbecues feel effortless. It's an ideal space for hosting friends or enjoying everyday family life. Upstairs, the extended layout allows for two good size double bedrooms, one with views over the garden and the other to the front. Completing the upper floor is the family bathroom with a clean finish, including a full-sized bath with overhead shower, sleek tiling, and modern fixtures. To the rear, the garden is the star of the show, it has to be the views that really do sell this home—a peaceful, ever-changing backdrop through every season. There's room here for both relaxation and gardening, offering something for everyone. This is a home balances practicality, style and comfort, making it ideal for couples, professionals, or young families looking to settle in one of Sheffield's most vibrant and community-focused neighbourhoods.
