## A One of a Kind Garden Apartment in a Striking Chapel Conversion: Wadsley Chapel Apartments

Set within the historic walls of a beautifully converted chapel, Apartment One at Wadsley Chapel blends timeless character with beautifully presented modern living. Offering two double bedrooms, a private garden, a sleek open plan interior, and a versatile outbuilding, this immaculate ground floor apartment is something truly special.

### Why You'll Love It

This stunning home welcomes you through an impressive communal entrance that reflects the building's rich heritage. Once inside, you are greeted by a bright and stylish interior, finished to an exceptional standard throughout.

The heart of the home is the open plan living space, a spacious lounge, dining area and contemporary kitchen all flowing together seamlessly. French doors from the lounge open directly onto the private garden, creating the perfect connection between indoor comfort and outdoor relaxation.

The apartment features two generous double bedrooms. The main bedroom includes a sleek modern ensuite shower room, while the second bedroom is equally versatile and ideal for guests, a home office or dressing room. The central bathroom is finished with a stylish three piece suite, completing this thoughtfully arranged layout.

Every inch of the property is immaculately presented with clean lines, quality materials and a calming neutral palette. It is a home that feels both elegant and welcoming.

To the rear, the private garden offers a rare escape, ideal for entertaining or simply enjoying the fresh air. The apartment also includes a highly useful outbuilding with a pitched roof, perfect for a workshop, studio or secure storage.

A gated entrance to the development provides added privacy, and an allocated parking space sits securely behind double gates to the side.

This floor plan is for illustrative purposes only. All measurements and layouts are approximations and do not necessarily capture the precise specifications of the property. No responsibility is taken for any error, omission, or misstatement. We always recommend viewing in person to confirm the exact floor plan of a property. Made with Metropix.
