

# Robin Hood Chase, Stannington, Sheffield, S6 6FH

Offers Over £400,000

🛏 3 🚿 2 🛋 2

## Why You'll Love It

Robin Hood Chase is the kind of home that immediately draws you in. Positioned proudly on a corner plot, it offers more space than most of this style, giving you the freedom to enjoy a larger garden and excellent parking. The curb appeal is undeniable – neat landscaping, a well-kept frontage and the welcoming feel that only a cared-for home can provide.

Step inside and you'll find interiors that are fresh, light and well-presented throughout. The living room is a comfortable and inviting space, ideal for relaxing after a busy day or gathering with friends and family. The generous proportions mean it can easily accommodate a variety of furniture arrangements, while the large window floods the room with natural light.

The heart of the home is the modern kitchen/diner. Thoughtfully designed, it offers both style and practicality, with ample worktop space and integrated appliances. The dining area sits perfectly beside it, creating an easy flow for everyday meals and special occasions. Adjoining the kitchen is a handy utility room – a practical bonus for keeping laundry and household chores tucked neatly away.

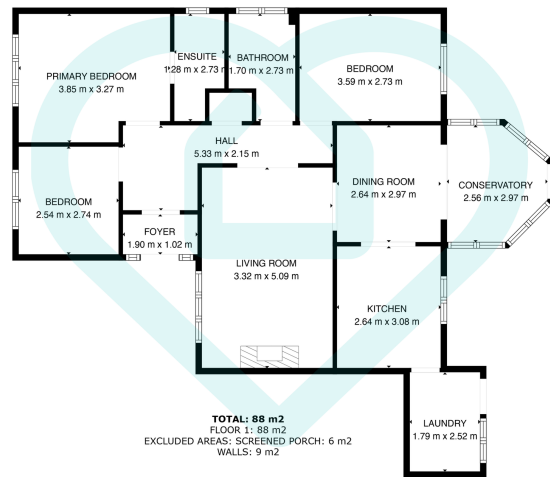

From the dining area, the conservatory adds another dimension to the living space. Bathed in sunshine, it offers year round enjoyment and a peaceful spot to enjoy views over the garden. Whether used as a second sitting room or a tranquil reading space, it's a delightful addition to the home.

This bungalow offers three generously sized bedrooms, each with its own character. The master bedroom benefits from an ensuite shower room, giving a private, hotel like feel to everyday living. The second and third bedrooms are also well-proportioned and the modern family bathroom is stylishly finished.

Everywhere you look, this home feels cared for and move-in ready – the kind of place where you can unpack your boxes and start enjoying your new life straight away.

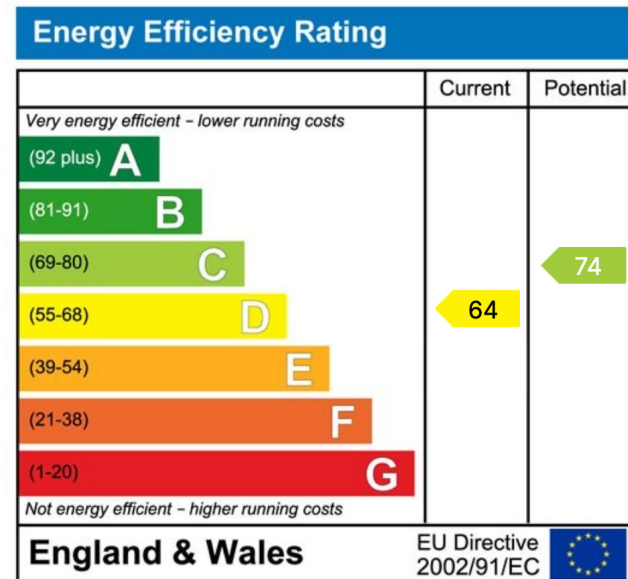

This floor plan is for illustrative purposes only. All measurements and layouts are approximations and do not necessarily capture the precise specifications of the property. No responsibility is taken for any error, omission, or misstatement. We always recommend viewing in person to confirm the exact floor plan of a property. Made with Metropix.
