Why You'll Love It

Set back on a quiet cul-de-sac in Deepcar, Pen Nook Gardens offers a lifestyle of ease and comfort in a well-connected community. The entrance porch is a handy feature, ideal for shoes and coats before stepping into the bright and airy living room. This spacious reception room is warm and inviting, creating the perfect space for cosy evenings at home or relaxed gatherings with friends.

To the rear, the kitchen/diner provides a hub for family life. With ample worktop space, fitted units, and room for a small dining table, it's a sociable setting that looks out onto the rear garden. The rear door offers direct access to the outdoors – perfect for summer barbecues or keeping an eye on little ones at play.

Upstairs, you'll find two well proportioned bedrooms, each has plenty of space for furniture and storage, making them versatile whether used as main bedrooms, a nursery, or even a home office. A family bathroom with a modern suite completes the upper floor, ensuring all the essentials are met with style and practicality.

The exterior of the home enhances its appeal further. To the front, the well-kept garden adds curb appeal, while the private rear garden provides an enjoyable space for outdoor living. There is also convenient parking to the left side of the house, ensuring practicality for modern life.
