Property Description

Millerson Estate Agents are thrilled to bring to present this executive, four double bedroom detached family home, situated within the popular area of Carlyon Bay, to the market. Having been well cared for by its current owners, this property is in immaculate condition and boasts bright and airy rooms throughout - a perfect home for growing families or those looking for ground floor living due to the property's design.

Architecturally and thoughtfully designed throughout, the ground floor provides a versatile living space with high ceilings and large windows, flooding the rooms with light. Comprising of three bedrooms - two of which benefit from en-suite bathrooms as well as a stylish and contemporary family bathroom, the real show stopper of the home is the open plan kitchen/diner which leads into the spacious lounge - providing ample space for all the family. Walking up the handmade oak staircase, you will find a further bedroom along with a study which could easily be made into a fifth bedroom if required and also a cloakroom.

Outside you will find a private South facing rear garden which is mostly laid to lawn with some decked and paved areas. The garden is a great area to enjoy the Cornish sunshine as it not overlooked by neighbouring properties and benefits from having an infinity style free flowing stream, a covered BBQ area and separate summer house. Further advantages include outside lighting, plug sockets and also a log store. There is off road parking for multiple vehicles.

The property is connected to all mains services with the central heating having been upgraded in February 2020 (3 years remaining under warranty) and can all be controlled via an app. Viewings are highly recommended to appreciate the full extent of this property.
