PROPERTY DESCRIPTION

Millerson Estate Agents are thrilled to present, deceptively spacious, three-bedroom detached home to the market. Situated within a peaceful development known as the "Eco Village" this property was designed with energy efficiency in mind, featuring solar thermal heating and an MHVR system, these do not only reduce energy costs but also contribute to a more sustainable lifestyle. The current owners have recently had bespoke shutters designed for the property, adding a touch of sophistication, whilst still allowing for privacy and light control.

Upon entering, you are greeted by a light and airy entrance hallway with doors leading into a spacious kitchen/diner which showcases a variety of soft-close storage cupboards, draws and an abundance of integrated appliances. The lounge offers a vast space with dual aspect windows allowing pools of natural light to flood through the home, making it the perfect place for relaxing after a long day. On the first floor the property exhibits three, well proportioned, bedrooms and family bathroom. The master bedroom boasts a generous en-suite shower room and Juliet balcony. Externally, this property benefits from having an enclosed rear garden which is home to an array of mature foliage - this space is a true haven for all outdoor lovers, whether you envisage summer barbecues or even just a moment to unwind. Off-road parking for two vehicles can also be found with additional on-street parking only a short walk away.

The property is heated via smart electric radiators and is connected to mains electricity, water and drainage. Having been constructed in 2022 this property still has seven years remaining on its NHBC warranty. It also falls within Council Tax Band D. Viewings are highly recommended to appreciate all that this property has to offer.

LOCATION

West Carclaze Garden Village is located on the outskirts of St Austell, just a couple of miles from the stunning Cornish coast. There is anticipated to be a vibrant centre, once completed, with bars, cafés, restaurants and retail. A Village Hub and Experience Centre will be home to lively public spaces, designed with accessibility in mind, and promoting activities and events the whole community can enjoy. As well as places to eat, there will be meeting rooms, a village shop selling local produce, play park, village square and more. This offers a fantastic focus for community life. In addition there are miles of countryside walks on the doorstep of the Village, along the Cornish clay trails - ideal for families and dog walkers alike. St Austell itself provides a range of amenities including a mainline railway station with direct access into London Paddington.

THE ACCOMMODATION COMPRISES

(All dimensions are approximate)
