\*Shared Ownership is an exclusive product for local residents. Section 106 and staircasing restrictions may apply.  
Affordability is based on a financial assessment to determine the share percentage to be provided.  
Home offers will be based on a review process, and on a first-come, first-serves basis, with priority given to local connection and affordability need. Whilst we endeavor to make our home descriptions accurate, they are for general guidance only and may be subject to change throughout the build process.  
Shared ownership homes are sold as leasehold.  
All CGI images and floorplans are for illustrative purposes only and should not be relied upon. These are subject to change and may not be accurate, and do not form part of any contract.
