HARRIS & BIRT

Grade II Listed Farmhouse, Two Bedroom Self Contained Stone Barn, Stone Built Bothy, Detached Double Garage and 15 Acres.

A particularly attractive small estate comprising a Grade II listed farmhouse, large two bedroom self contained stone barn, stone built bothy with lapsed planning permission and large detached double garage with office over. All set around a gravelled courtyard and wonderfully private tucked away location adjoining woodlands in approximately 15 acres of grounds and accessed off a long driveway. Absolutely stunning views over miles and miles of adjoining countryside. Just a few minutes south is the A48 at Sycamore Cross and access to Cardiff and a few minutes north is junction 34 of the M4.

CADW in their listing referred to late medieval origins and extended in the 1500's and late 1600's. Parts of the house are thought to date from the early 1800's and the farmhouse has also been extended in more modern times and now offers an attractive entrance hall, four living rooms, kitchen/breakfast/family room, utility and cloakroom. Upstairs are the master suite with en-suite bathroom and three further bedroom including a large bedroom which could easily be sub divided into two or three separate bedrooms, family bathroom. The self contained barn is huge with two double bedrooms, two bathrooms and vast open plan living space with high ceilings.

Modern facilities include separate ground source heat pumps for both the main house and barn and high performance replacement timber windows.

Nearby villages with local facilities include St. Nicholas, Bonvilston, Pendoylan and Peterston Super Ely. The market town of Cowbridge offers an extensive range of facilities. The property is situated very much in the heart of the rural Vale of Glamorgan and enjoys easy access to major centres including the capital city of Cardiff via the M4 and A48. Cardiff airport is within easy driving distance.

Plenty of parking space. Garden areas laid principally to grass. The property stands in approximately 15 acres of mostly pasture and does enjoy the most fantastic views for some miles over the surrounding countryside.

Services

Mains water and electricity. No gas. Central heating and water heating for the main house is via a Danfoss heat pump located in the utility room. Central heating and hot water for the barn provided by a Thermia ground source heat pump to underfloor heating system. Drainage to septic tank.

Directions

From our offices at 67 High Street Cowbridge turn right or left and proceed onto the main A48 road in the direction of Cardiff. Go through the village of Bonvilston and before you get to St. Nicholas turn left at the major traffic lights signposted "Peterston Super Ely" and "Pendoylan". Just after the road narrows take the left hand fork signposted "Pendoylan" and about half way down the hill turn left into the farm track. You cannot see the property from the road but there is a name plate set slightly back. From Cardiff, take the A48 from Culver House Cross and at the traffic lights between St. Nicholas and Bonvilston, follow the directions as above.
