Downstairs boasts two reception rooms, a contemporary bathroom and kitchen to the rear, while upstairs are three bedrooms, the master with built in storage.

As you can see from the photos, the secluded rear garden is extremely well presented and maintained, offering a large grassed area, mature borders and at the far end, through a rose arch, a further area, perfect for growing vegetables.

Further features include a decked area and a large summer house, complete with internet connection, electricity and heating, providing the perfect space for a home office or gym. There are also two workshops.
