Property Description

Located in one of Worthing's most iconic buildings this luxury fourth-floor property is offered chain free. The apartment is perfectly positioned to take advantage of the wonderful sea and pier views from a more sheltered position on the southwest of the building.

The property is accessed via the impressive main entrance of the building. A lift and stairs take you to the fourth floor and a private front door leads you through to a spacious and welcoming hallway with storage cupboards including one with a fitted radiator and a gas boiler. The west-facing reception with its central fireplace has glorious views through the glazed doors which lead to the private terrace. An open arch leads through to the dining area with an open-plan kitchen which includes integrated appliances and a walk-in larder. There are two storage cupboards and a shower room with w.c, basin and a good range of built-in units.

Again the area has west-facing views toward Worthing Pier along with a port hole window with a direct sea outlook. Both bedrooms are large doubles with fitted furniture to include wardrobes with drawers and hanging space and the principle has a luxury ensuite with a walk-in shower, bath, vanity basin and WC. The family bathroom is equally as well-appointed with a matching suite.

Externally this apartment has one of the best views we have seen and the private terrace is the best vantage point. There is plenty of space for al-fresco dining or a pair of sun loungers in which to sit and catch the afternoon sun.

The Warnes development was completed in 2006 by Roffey Homes on the site of the old Warnes Hotel on Steyne Gardens and offers secure underground parking within a private garage, lift access, a heated indoor swimming pool for residents' use and a perfect location for exploring Worthing's seafront and local shopping and leisure facilities. The town centre is literally across the pretty gardens on The Steyne where you will find a plethora of eateries, cafes, independent retailers, two cinemas and a theatre. Local bus routes provide access to Brighton and Hove and the mainline station with direct links to London.
