This is a rare opportunity to acquire an exceptional end-of-terrace property in the heart of Brighton, arranged as two self-contained two-bedroom maisonettes under a single freehold title. With private entrances to both units, this property offers a unique blend of independence and investment appeal. The upper maisonette further benefits from a private balcony, creating an attractive outdoor space that adds to its desirability.

Currently, both properties are let on separate tenancies, generating a strong combined rental income of £3,550 per month. This makes for an ideal investment purchase, providing immediate returns with the security of existing tenants in place. The lack of an onward chain ensures a smooth and efficient acquisition process, making this a hassle-free addition to any property portfolio.

The location of this property is second to none, situated just a stone's throw from Brighton Station. With excellent transport links and easy access to the city's vibrant amenities, this area is in constant demand among tenants and homeowners alike. The property benefits from all that Brighton has to offer, from its eclectic mix of shops, cafes, and restaurants to its famous seafront and cultural attractions.

Whether you are an investor looking for a high-yield asset or someone seeking a long-term development opportunity, this property delivers in every aspect. The combination of its prime location, private entrances, strong rental income, and freehold tenure makes it a truly outstanding purchase in one of Brighton's most desirable areas.
