Property Description

A rare opportunity to acquire a delightful two-bedroom lower ground floor apartment in the heart of Brighton's prestigious Park Crescent. Forming part of an elegant Grade II listed period building, this charming home seamlessly blends classic architectural features with modern comfort and benefits from a share of the freehold.

Accessed via its own private entrance, the apartment enjoys a peaceful and private position within this historic crescent. Inside, the property is well-presented and in good condition throughout, offering a warm and welcoming atmosphere. The accommodation comprises a spacious and well-proportioned living area, a sleek modern kitchen, two comfortable bedrooms, and a stylish bathroom, all thoughtfully designed to make the most of the natural light and space.

A particular highlight of this home is its excellent outdoor offering. To the front and rear are two private patio gardens-ideal for morning coffee, evening dining, or simply relaxing in your own outdoor oasis. Beyond these, residents of Park Crescent enjoy exclusive access to a beautifully maintained, residents-only secret garden: a stunning green sanctuary tucked away behind the crescent, perfect for quiet reflection or social gatherings.

The location is second to none. Just a stone's throw from the popular Level park and a shortwalk to Brighton city centre, mainline train station, and the seafront, the property offers exceptional access to both local amenities and transport links. This area is renowned for its vibrant community, independent shops, and excellent dining options, all within easy reach.

This exceptional home is perfectly suited to those looking for a unique and tranquil residence in the heart of the city. This is so much more than just a perfectly located property. The Crescent folk are very sociable with busy social media channels to promote Garden events and a quarterly newsletter to keep you informed as to what the groundsmen and Garden Committee have planned.

The calendar is filled with inclusive events such as the Easter Egg hunt, a Mid summer night's feast, the bonfire & fireworks display and Christmas Carols. There's even an annual festival that marks the end of summer. The walled Garden makes this the ideal place for raising kids and children can be found running between houses and across the many lawns. Need that proverbial "cup of sugar"? Not to worry, a message on the Garden Whatsapp can usually save a trip to the (very local) shops!
