In arguably the best position within Hunters Way, with a delightful south westerly facing rear garden, a 4/5 bedroom detached house built by Seaward Homes in 1979. The house has been the subject of two additions including a utility room to one side and a conservatory to the other.

Offering generous flexible accommodation the house would make a fabulous family home being close to both well respected primary and secondary schooling as well as a number of nearby private schools.

The rear gardens are remarkably private and principally laid to lawn with flower and shrub borders. Large gravel driveway leading to a double garage with power and light and up and over doors.

Summersdale is regarded as one of the premier locations in the city, being situated on the favoured north side, giving easy access to the Downs and also London. There is a useful and regular bus service into Chichester, as well as two local shops and a doctor's surgery. Chichester itself is only about a mile distant, so it is a relatively easy walk to the theatre and the varied shops and restaurants that the city has to offer. Cultural amenities also include Pallant House Gallery, as well as the Weald and Downland Open Air Museum. Sporting activities in the area include golf and racing at Goodwood and sailing at Chichester Harbour.
