This beautifully presented barn has been stylishly presented by the current owner and is located amongst properties of a similar nature.

The attractive and welcoming reception hall has stairs to the first floor and doors to both the sitting room and fitted kitchen/dining room. There is a cloakroom in the hallway.

The sitting room has a feature paneled wall and delightful views across open countryside towards Chichester.

The superb Sylvarna fitted kitchen has quartz counter tops and a comprehensive range of cupboards and drawers. There are integrated appliances plus a fitted breakfast bar. Underfloor heating. Just off the kitchen there is a utility/heating system room with hot water tank and controller connecting to the air source heat pump.

On the first floor are the two double bedrooms both with a shower room en suite and thus creating a self contained private space each.

Outside there is a generous gravel driveway with ample space for parking and a detached car barn with additional storage in both the loft area and a tool/garden shed incorporated into the design. The gardens have been

meticulously presented and are well tended offering views to the north towards the South Downs.
