The house has a hallway with a door into the sitting room which has stairs to the first floor, a front aspect and built in storage under the stairs. There is also a further storage cupboard. The fitted kitchen has a double electric oven, gas hob with extractor chimney over. Space and plumbing for a washing machine and space for a larger style 'fridge/freezer. The orangery is a particular feature of the property with a radiator, wall lights and doors out onto the rear garden.

On the first floor there are 2 double bedrooms with built in wardrobes and a bathroom with bath and shower over.

Outside there is a garden which is laid with artificial turf and has a lovely patio area by the garage and is enclosed within a fenced boundary. There is a door into a single garage which is in a small compound.

The property is situated on the outskirts of the village. Just nearby is a useful local shop and there is a nice blend of period and contemporary properties. Tangmere is very conveniently situated for access to both Chichester and Arundel and it boasts a famous museum, along with a primary school and recreation ground. Chichester has an excellent selection of shops and restaurants, as well as cultural amenities such as the Festival Theatre.
