A detached family home in the popular Summersdale area of Chichester a couple of miles to the north of the city centre.

The storm porch, which is an addition to the original house, leads into the reception hall with stairs to the first floor. There is an under stairs storage cupboard and cloakroom with wash basin and WC. Doors from the hallway lead to all principle rooms.

There is a bright double aspect sitting room with a mock fireplace with fitted electric fire and sliding patio doors to the rear garden. Doorway to separate dining room.

The fitted kitchen has been recently re fitted with ample counter tops with cupboards and drawers under and wall cupboards over. There is a gas fired hob with fitted eye level electric oven and grill. Space and plumbing for washing machine. Door to side and garden. There is a study which could be used as an occasional bedroom or utility room.

On the first floor the landing has an airing cupboard with hot water tank. Access to roof space. There are 4 bedrooms, a bathroom with paneled bath, wash basin and WC plus a separate shower room leading from the landing.

Outside the well maintained rear gardens have a delightful westerly aspect enjoying the sun right through into the evening. There is a footpath to the rear of the detached double garage with personal door and electric up and over door. Further parking opposite the garage and a reserved space to the side. The house benefits from cavity wall insulation.
