TOWN & VILLAGE HOMES

DECEPTIVELY SPACIOUS MODERN HOME POPULAR LOCATION

THE PROPERTY

This deceptively spacious detached modern home provides well proportioned accommodation with four bedrooms and bathroom on the first floor. The extended ground floor is even more generous with a large sitting/dining room opening to the study or garden room, kitchen, utility room, shower room/WC and integral tandem length garage.

The house benefits from gas fired warm air central heating, uPVC double-glazed windows and aluminium double-glazed patio doors.

The property is available for rent unfurnished.

THE OUTSIDE

The house is set back from the road behind a front garden laid to lawn with ornamental trees and a raised brick planter running along the front of the pergola attached to the front of the house. The herring-bone brick paved driveway provides off-street parking and leads to the garage.

A gate to the right of the house leads to the rear garden, which is some 42' (12.75m) in depth and laid to lawn with paved patio, herbaceous borders and ornamental shrubs and trees, including silver birch.

THE LOCATION

Milne Close is a peaceful residential close in the popular Lordship area on the south side of Letchworth, a mile and a half from the town centre and within a mile and three-quarters of the mainline railway station. Letchworth Garden City is on the London to Cambridge mainline and regular services run throughout the day. The fastest services to London King's Cross take just 29 minutes and to Cambridge is 26 minutes in the other direction. Junction 9 on the A1 (M) is just a mile away.

Designed in the early 20th Century to combine the benefits of town and country, Letchworth Garden City was the world's first example of this concept and succeeds to this day in achieving its aim. The town provides excellent schools, shops, green open spaces and other leisure facilities. The highly regarded Lordship Farm Primary School is less than half a mile away.
