One of Kingswood's originals, the house was built in the 1930's and it retains that sought-after traditional character whilst having been well-maintained and recently renovated with a new Kitchen fitted just this year. The plot of some 0.93 acre is what attracted our clients to the property with its extensive, naturally-secluded gardens and broad frontage. A perfect setting for a substantial new home of almost 9,000 sq ft and Full Planning Consent (Ref. No: 21/02815/F) was approved on 9 November 2021.

Available now with no onward chain, this property offers many options to a would-be owner, with the ability to live in the property, extend to the rear and side or even flatten and replace. With 4 double bedrooms, a dressing room, a contemporary Kitchen - Breakfast room and 3 further reception rooms, this property is well-suited to modern and flexible family living.
