The Property

Impressive Victorian villa situated in the heart of town in a quiet tucked-away location. The property has been sympathetically modernized by the current owners over the last twenty-five years, and yet retains a good deal of its original charm and character. With large south facing sash windows and high ceilings the property has a light and airy feel throughout. The accommodation is spread over four floors, and the property and garden enjoy pleasant rooftop views over the town and beyond to surrounding countryside. There is a large stone porch to the side, leading into a spacious reception hall, off which is a generous sitting room and large farmhouse style kitchen/dining room along with a conservatory. Stairs lead down from the reception hall to the lower ground floor where there is a further reception room/bedroom 5, utility room and ground floor WC. On the first and second floors are two large double bedrooms, with a central bathroom/WC on each floor.

Location: The market town of Tavistock provides good shopping amenities along with riverside park, leisure centre and theatre all based around the beautiful countryside of Dartmoor National Park.
