The Property

With views over Chimney Rock, this pretty terraced cottage, in need of some redecoration in parts, is located in the centre of the village of Gunnislake.

A short path leads through a mature colourful garden with well stocked flower beds either side, to a bright patio seating area and French doors leading into the conservatory. From there, a secure front door leads to a cosy living room complete with slate floors and a log burner. The kitchen is compact, but modern and offers plenty of storage as well as a pantry cupboard under the stairs. Upstairs there are two bedrooms, one double and one single, both with wooden floors and built in cupboards. The shower room is well equipped with a double shower.

The property is being offered with no onward chain.
