The Property

A traditional Duke of Bedford end terraced cottage situated within a short level walk for the town, amenities and the park. There are pleasant level gardens which border the River Tavy and a useful block and stone built shed. The cottage itself is in need of modernisation and refurbishment although over time the majority of the windows have historically been replaced and there is a modern Worcester combination gas boiler serving the hot water and central heating. On the ground floor are a semi-open plan sitting and dining room, a separate kitchen and bathroom. A turning pine staircase leads from the sitting room up to a landing with pleasant river views and two good sized bedrooms.

Location

The market town of Tavistock provides good shopping amenities, cafes, restaurants and schools along with riverside park, leisure centre and theatre all based around the beautiful countryside of Dartmoor National Park. Ideally located with easy access to the nearby maritime city of Plymouth which offers an excellent retail and commerce centre as well as road, rail and ferry links.
