PLANNING HISTORY, OVERVIEW AND POTENTIAL SAVINGS

Much of the background work has been completed on the property already, with the barn being connected to water, electricity and internet along with consent to discharge surface and treated foul water into the Tudely Brook. These connections can cost in the region of £100,000 on other sites of a similar situation. Stamp Duty will be paid on the purchase price, not on the final value of the property which could be saving of in excess of £100,000.

- Consent was granted to convert the barn into an office building to include the glass externals and lifted floor and roof height.
- 23/02215 – Consent was granted for the conversion into a dwelling designed as a mostly in keeping green barn.
- 24/00066 – Consent for a car barn was granted.
- 24/01579 – Consent was granted for redesign works from the green barn to the tasteful design now.
- 24/02221 – Consent was granted for the addition of steps to the front elevation.
- 24/02179 – The consent for the Car Barn was approved with 24/01579.
- 25/02247 – Drainage works and the installation of a sewage treatment plant as implementation of planning permission 24/01579/FULL
- 25/02246 - Excavation and infilling of two concrete pads as implementation of planning permission 24/00066/FULL

LOCATION

This rural building plot in Badsell Road is situated to the Southwest of the town of Paddock Wood. Paddock wood is able to provide a comprehensive range of facilities and amenities, with a rail station direct to London in under an hour. The property is located just outside of the town, in a quiet situation, whilst being easily accessible. The spa town of Royal Tunbridge Wells is 6 miles to the Southwest of the property and is known for its rich history and impressive Georgian and Victorian architecture and thriving town centre, with preserved historic charm, including independent boutiques, high-end retailers, and a good collection of cafes and restaurants.
