This superbly located parcel of land extends to 1.70 ha (4.20 acres) and is classified as Grade 3(2) on the Land Capability for Agriculture Scale provided by the James Hutton Institute. The land is well fenced and has access to water. The land is currently in grass, but would be capable of producing some cereals, potatoes and forage crops.

The land would be well suited for equestrian use, with unlimited off-road hacking trails nearby. Other amenity uses may be possible, such as dog exercising, subject to Local Authority Consents. The land is located within the Aberdeen City Greenbelt and therefore has not been zoned for development in the current Local Development Plan. Given its prime location, the land may have development potential in the future subject to necessary Local Authority Consents*

*Development of the site has not been explored and it is therefore the sole responsibility of any interested party to make relevant enquiries with regards to future development with Aberdeen City Council prior to making an offer to purchase.
