Location

East Grinstead is an ancient market town within West Sussex and the capital of the historic High Weald, benefitting from being surrounded by some of the most spectacular countryside of the South East. McIndoe Lodge is a new retirement development of 49 one and two bedroom apartments situated close to local independent shops, amenities and transport links. Call now to book your personal appointment and find out more. This development is in close proximity to the train station, Aldi, Sainsbury's and a bus stop, making it easy to get around, with all the amenities nearby. There's also a post box directly opposite the lodge.

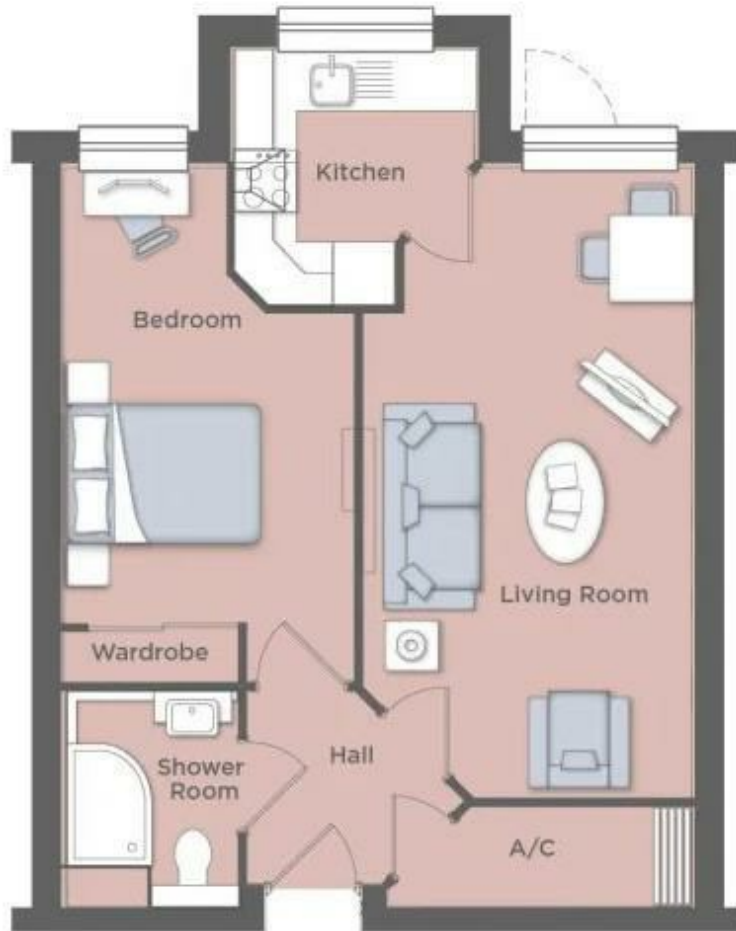

On the southern outskirts of the town lies Standen, the National Trust's flagship Arts and Crafts country house. Walkers and cyclists have a wide choice of walks and trails that leave the town for the surrounding countryside.

The beautiful Forest and Worth Ways both start in the town and form part of the Sustrans National Cycle Trail. The long distance High Weald Landscape Trail also passes through the town from Horsham en route to the sea at Rye.

Some buildings date from the 15th and 16th centuries, and there are splendid examples from Georgian and Regency times too.
