A spacious architect designed detached bungalow, that has more to see than you would first think, with large gardener's garden, situated on a popular and sought-after residential estate towards the edge of Crossgates village.

A large frontage leads from the road, having a gravelled driveway winding down through extensive lawns, trees, shrubs & bushes. The drive ends at a spacious parking area, ideal for a caravan and further car parking. A large garage stands next to a car port which has double gates leading to a patio. On the other side of the garage is a woodshed and further space ideal for a shed. To the rear are beautiful gardens that have been expertly nurtured and maintained by the current owners who
