- Integrated modern kitchen
- Hidden utility cupboard
- Recently refurbished throughout
- Excellent transport links

# In Detail

A beautifully renovated two bedroom, two bathroom garden flat on Knights Hill, West Norwood, now available to purchase.

Located on popular Knights Hill, this spacious two-bedroom, two-bathroom flat is offered in exceptional decorative order throughout, with extensive upgrades, private garden, and a stylish, modern finish.

Set within a period style building, the property features an open-plan living space with a sleek kitchen, LED-lit units, fully integrated appliances, and a newly installed induction hob. A standout feature is the bespoke bar in the hallway, created from a former cupboard, complete with integrated LED shelving and a dual-zone wine fridge.

Both bedrooms are generous doubles with built-in storage and TVs (all three TVs can be included). The principal bedroom has an en-suite wet room, while the family bathroom offers a shower-over-bath. A hidden utility cupboard keeps the washing machine out of sight, ideal for those who prefer a clutter-free kitchen.

The flat boasts a beautifully landscaped private garden split over two levels, featuring new decking and a staircase between levels. There’s direct rear access to another peaceful garden, which leads to Cheviot Road where free parking is available. A third garden sits at the front, alongside a lightwell that brightens the lower hallway.

Further benefits include wireless, multi-zone underfloor heating, new flooring and tiling throughout, and excellent built-in storage in every room.

Just a short walk to West Norwood and Tulse Hill stations (services to London Bridge, London Victoria & more), with excellent bus links. Local amenities include independent shops, cafes, a cinema, and the popular West Norwood Feast market.

A rare opportunity to own a turnkey-ready garden flat with superb outdoor space and high-spec finishes in a well-connected, vibrant neighbourhood.

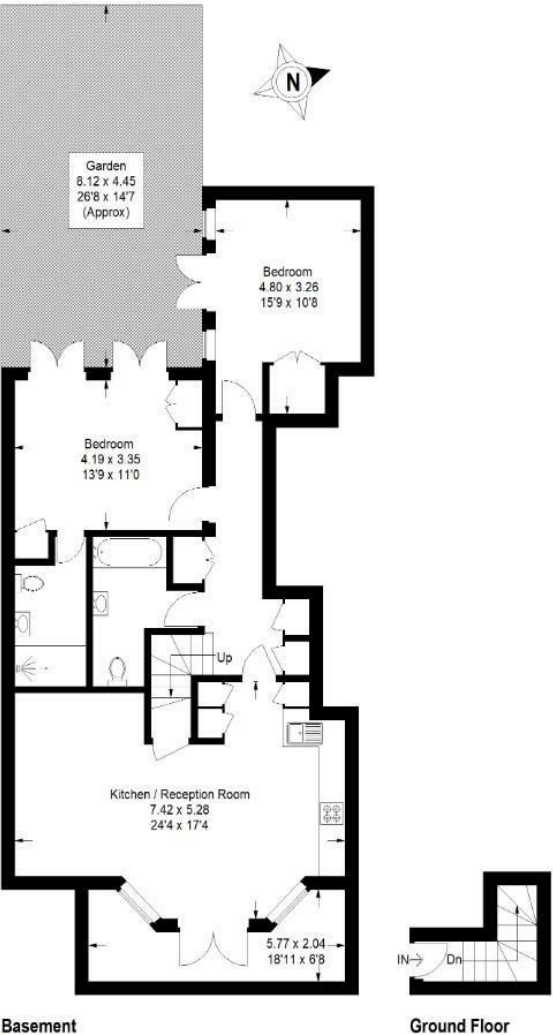

EPC: C | Council Tax Band: D | Lease: 995 years remaining | Costs: £3,120
