THE OPPORTUNITY

CAR PARK INCOME | £6,000 - £8,400 pa

ELECTRIC VEHICLE CHARGING POINTS

We understand the land has scope for a phase 3 electricity connection and would be ideal for 6 car electric vehicle (EV) charging points.

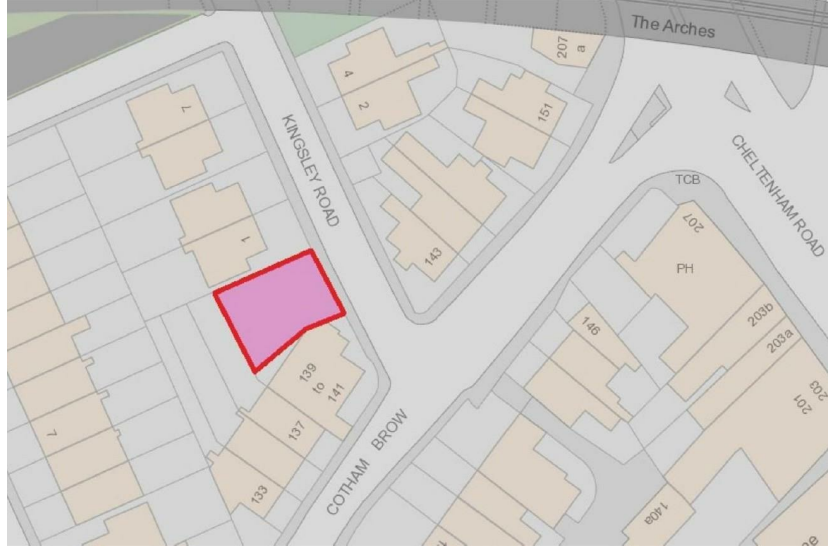

DEVELOPMENT POTENTIAL

The vendor has previously sought planning consent for both a dwelling and large garage which have both been refused.

We understand the council are seeking a scheme " that will add a public or economic benefit " to the area and buyers are encouraged to consider applications for either an eco office or live work unit.

All subject to necessary consents.
