THE OPPORTUNITY

HOUSE | BASIC UPDATING

The property has been a much loved family home and is now vacant and requires basic updating but has scope for a fine home or investment in this sought after quiet cul de sac location with generous gardens and parking.
Please refer to independent rental appraisal.

DOUBLE WIDTH PLOT

The property occupies a double width plot and has potential for either a new build dwelling or to extend the existing house.
Interested parties to make their own investigations but will note the adjoining semi detached property has been extensively extended.

We understand no planning of this nature has been previously sought.
Subject to gaining the necessary consents.

LOCATION

The property is situated in the village of Alveston close to the thriving market town of Thornbury, to the north of the City of Bristol and the M4/M5 interchange, with excellent commuting links via the motorway network and by rail from Bristol Parkway Station (Paddington / South Wales). The High Street offers a wide variety of shops, cafes, pubs and restaurants. Other facilities include the leisure centre, golf course and library, plus open community spaces, parks and sports grounds/clubs. The town is blessed with a number of primary and junior schools, plus The Castle secondary school (www.castle.glos.sch.uk) which is situated on the edge of open countryside close to Thornbury's Tudor Castle, now a luxury hotel.
