### THE OPPORTUNITY

FAMILY HOME | UPDATING

The property has been a much loved family home but now requires basic updating with scope for a superb 4 bedroom property on a large mature plot with spectacular views.

### DEVELOPMENT PROJECT

Given the quality and size of the plot there is scope to improve the current property via further attic conversion to create more bedrooms on the first floor or to extend to the side and rear.  
We understand no planning of this nature has been recently sought. Interested parties to make their own investigations.  
All subject to gaining the necessary consents.

### LOCATION

Dundry is a North Somerset village situated on Dundry Hill, between Bristol and the Chew Valley Lake. The city of Bristol is only four miles away and Bath is twelve miles to the west. Its lofty situation makes it a notable landmark in North Somerset and its dominance is emphasised by a spectacular fifteenth century church tower. Dundry commands some of the most extensive and beautiful prospects in the west of England, and by night Bristol's lights create a breath-taking scene. The Dundry Inn public house in renowned in the area, and schools include a primary school with secondary schooling available at nearby Chew Valley, and a choice of private schooling in Bristol itself. The area around is well known for its beauty, activities and attractions. The Chew Valley and Blagdon lakes provide a host of activities whilst the nearby Mendips are popular and boast great walking, riding and unspoilt nature.
