THE OPPORTUNITY

PERIOD COTTAGE | BASIC UPDATING

The property oozes charm and character and would now benefit from some basic updating with scope to create a fine home or investment in this sought after location.
Interested parties will note the original entrance has been blocked up but could be easily reinstated as the main entrance and the ground floor rearranged to potentially create a bathroom downstairs to allow for a 3rd upstairs bedroom.
The large garage / workshop may offer potential for development.
All subject to gaining the necessary consents.
Please refer to independent rental appraisal.
