THE OPPORTUNITY

BUILDING PLOT | PLANNING GRANTED

Planning permission has been granted to transform the existing steel-framed agricultural barn into an exceptional, high-end family residence. Thoughtfully designed to blend luxury with functionality, the new home will maximize the breathtaking panoramic views over the surrounding open countryside. This unique opportunity offers true country living while maintaining easy access to the cultural, leisure and commercial amenities of Bristol including easy access to major transport routes via road, rail and air. Additionally, the nearby towns of Clevedon and Portishead provide all essential day-to-day conveniences.

NB

We understand that covenants protect the land in front of the property, ensuring the preservation of the stunning views. These restrictions, as we have been informed, prohibit any structures—including garden sheds—without prior permission. Please refer to the online legal pack for further details.
