No Onward Chain.

Warm and inviting, this detached, 200 year old, 3 bedroom Hamstone home offers spacious interior accommodation, parking and a surprisingly large rear garden.

The interior consists of a large sitting room, good sized kitchen/diner, separate utility area and further storage area on the ground floor.

Upstairs are 3 bedrooms with a further walk through room/dressing room and the family bathroom.

Over the almost 30 years of ownership by the current occupier, many items have been updated.

The property and garden would benefit from some cosmetic updating as the owner has had some recent health issues which force the move.

For the right person/family this home will offer a great location close to the centre of the village of South Petherton with the added benefit of parking and a large, private, rear garden.
