LOCATION

Over Stratton is a picturesque village set in surrounding countryside and contains a number of character properties, Chapel, Restaurant and Inn. The county town of South Petherton is one mile to the north and offers a wide range of Shops, Schools, Doctor & Veterinary Surgeries, Library, Churches and 'bus services to neighbouring towns and villages.

The local Infant and Junior Schools both have 'Outstanding' OFSTED grades.

Yeovil is ten miles, Crewkerne (Mainline Station - Waterloo) four, Dorset Coast twenty, the county town of Taunton (M5 Motorway & Mainline Station - Paddington) eighteen and the A303 is joined at the South Petherton roundabout.

Approach Nestled in the heart of Over Stratton, a satellite village located between South Petherton, Norton sub Hamdon and Hinton St George this detached Hamstone home has a low-level wall with steps up to the front door with storm porch. There is also gated access to the garden with initial blocked paved driveway opening to a loose gravel parking and turning area which gives access to the rear of the house, the double garage and rear garden.

Ground Floor The living space has an initial welcoming hallway with stairs to the first floor landing. The first door opens to the separate dining room. To the rear is the comfortable and naturally well-lit sitting room with stone fireplace and inset Log Burner. A set of side patio doors provides access to the sunroom. The kitchen is a nice size and offers plenty of space and storage as well as a breakfast area. The rear door also

opens directly into the sunroom. Also, on this floor is the practical downstairs WC and large storage space under the stairs. The sunroom which is to the rear offers a nice space to enjoy views to your private garden.

First Floor The upper floor offers 4 bedrooms, or more likely to work for most buyers, 3 bedrooms and a home office space. The principal bedroom is a great size with a lovely far-reaching views to the rear, and large built in double wardrobes. This also comes with a good sized en suite with large shower. The second bedroom also is spacious and again comes with large built in double wardrobes. The third bedroom is a smaller double and again benefits from built in double wardrobes. The 4th is a single due to the angle of the room, however, spacious enough for a single occupant or as per current use, as a home office. The landing has a huge storage/linen closet where the gas fired boiler is housed. There is access to the loft hatch which comes with a ladder, light and is about 50% boarded. The final room on this floor is the main bathroom.

Driveway, Garage and Utility With initial blocked paved access from the road through the large set of gates, the driveway is capable of housing several vehicles with turning space and access to the private garden. Set to the rear of the garden is the double garage which would accommodate two vehicles and comes with electronic up and over door as well as roof storage. To the rear and accessed from the garden is a utility room with light, electric and sink/plumbing.

Garden Designed to be easy to maintain, offering a private setting with partial lawn, mature shrubbery and nice general outlook.
