Charming Victorian Flats for Sale A Rare Opportunity in a Semi-Detached Victorian Villa - Nestled in a beautifully restored semi-detached Victorian villa in the heart of a conservation area in Isleworth, these two character-filled flats offer a unique opportunity to purchase a property full of charm and potential. Originally a grand single-family home, the house was converted into two flats in the 1980s, providing an exciting opportunity to revert the property back to its former glory as a large, beautiful dwelling (subject to planning permission). Alternatively, this layout is also ideal for multi-generational living, where each family unit can enjoy independent spaces while sharing the advantages of a grand home.

Located just moments from Richmond, St Margarets, Old Deer Park, and Syon Park, the property boasts traditional features and modern comforts, with the added potential for development.

Flat 1 Elegant 3-Bedroom Split-Level Home

Occupying the upper floors, this spacious split-level flat combines Victorian charm with modern living. Featuring high ceilings, sash windows, intricate cornicing, and original fireplaces, this flat retains its period elegance while offering all the comforts of contemporary life.

The separate living room is bright and inviting, creating a welcoming atmosphere for both relaxation and entertaining. The traditional eat-in kitchen, crafted by Handmade Kitchens of Christchurch, includes integrated appliances, bespoke cabinetry, and a warm, timeless design that complements the flat's period features.

The flat includes three generous bedrooms, including a master bedroom with ensuite, and a family bathroom. The principal rooms feature wooden floorboards, with carpeted stairs offering added warmth and comfort.

The family bathroom is a standout feature, offering a luxurious roll-top bath, Chadder sanitaryware, and reclaimed encaustic tiles, creating a beautiful, functional space.

Both Flat 1 and Flat 2 feature ornate cast iron radiators, adding to the period charm while ensuring warmth and comfort.
