£675,000

This beautifully presented mid-terrace Victorian home combines elegant period features with contemporary finishes, creating a stylish and practical living space.

The property offers two generously sized double bedrooms, each benefitting from its own modern en-suite bathroom. On the ground floor, there are two bright and versatile reception rooms, with one leading through to a large, fully fitted kitchen. From here, French doors open onto a very private, sun-trap garden, perfect for both relaxing and entertaining.

The house has been tastefully refurbished throughout, with thoughtful design touches including smart storage solutions, restored fireplaces, and traditional sash windows that fill the rooms with natural light. Additional highlights include a convenient downstairs WC and a striking stained glass window feature in the front door, adding to the home's unique charm.

Offered to the market with no onward chain, this house on Napier Road is an exceptional opportunity to own a classic Victorian home with modern comfort in a sought-after location.
