Ground Floor

The generous and welcoming entrance hallway forms the heart of the home, providing access to all principal ground floor rooms, the integral double garage, useful understairs storage and the staircase rising to the first floor. The sitting room is an inviting space, centred around a wood-burning stove that creates a natural focal point, with windows enjoying attractive views over the surrounding gardens. The dining room flows seamlessly into the kitchen/breakfast room, which is well appointed with a comprehensive range of cupboards and drawers, a central island and a classic butler sink. Integrated and freestanding appliances include a Smeg oven, Smeg five-ring hob, two integral refrigerators and a Bosch dishwasher. From the kitchen, doors lead to the ground floor WC and directly out to the gardens. The family room is a well-proportioned, double-aspect room offering excellent versatility, ideal as a playroom or an additional sitting room. The study provides a dedicated and practical space for home working. A ground floor double bedroom benefits from a built-in wardrobe, with the adjacent bathroom fitted with a four-piece suite comprising a corner bath, enclosed shower cubicle, WC and wash hand basin.

First Floor

The first floor landing provides access to all bedrooms, the family bathroom and generous storage set within the eaves. Bedroom one is a well-proportioned double room, benefitting from built-in wardrobes and additional eaves storage. An en-suite four-piece bathroom serves the principal bedroom and is fitted with a freestanding bath, enclosed shower cubicle, wash basin, WC and a heated towel rail. Bedrooms two and three are both comfortable double rooms, each benefitting from useful eaves storage. The family bathroom is fitted with an enclosed shower cubicle, wash basin, WC and a heated towel rail.

Outside

The rear gardens are a particular feature of the home, enjoying a pleasant south-westerly aspect and a high degree of privacy. Paved terraces adjoin the rear of the property, providing ideal space for outdoor dining and entertaining, while the majority of the garden is laid to lawn and bordered by established hedging and mature trees. An outbuilding is fitted with power and lighting; however, the sellers have advised that it is currently unsafe for use and would require removal or replacement.

Parking

The driveway provides parking for several vehicles and leads to the integral double garage, which is fitted with power and lighting. To the rear of the garage is a utility room, offering space and plumbing for a washing machine and tumble dryer, and also housing the boiler.

This well-connected setting offers the perfect balance of rural charm and convenience. The nearby village boasts a welcoming community feel, featuring a church, village hall, and several highly regarded pubs.
