Constructed in 2013, this exceptional family home boasts over 1,610 square feet of versatile and contemporary living space in a peaceful yet convenient location of Bedwellty Gardens.

The ground floor welcomes you with a hallway leading to all principal rooms. The large sitting room at the front of the property features double doors that open onto the dining room. At the rear, the bright and airy kitchen/breakfast room stands out with its sleek gloss cabinetry, integrated appliances, ample storage, and generous worktop space. French doors from the kitchen open onto the sunny rear garden, seamlessly blending indoor and outdoor living. It also provides direct access to a practical utility room with an external entry. Adjacent to the kitchen, the separate dining room is filled with natural light thanks to its own patio doors, making it an ideal setting for entertaining. For added convenience, there is a ground floor cloakroom.

Upstairs, the first floor accommodates five well-appointed bedrooms that offer ample space and comfort. Two generously sized ensuite bedrooms are equipped with walk-in showers, while the three remaining bedrooms are served by a modern three-piece family bathroom. The property is in excellent condition throughout, providing versatile living opportunities due to its overall size.

Externally, the home benefits from a private southwest-facing rear garden predominantly laid to lawn, accompanied by a sun patio that offers picturesque views over the surrounding hills and woodlands. At the front, a driveway provides ample off-road parking and access to the large integral garage, which offers plenty of storage.

This beautiful home presents an unbeatable combination of size, location, and high-end finishes, making it perfect for growing families or those seeking a semi-rural lifestyle without sacrificing modern conveniences.
