Rare to the market, this detached home on Wales Lane has been proudly owned by the same family since it was built in 1960. We're delighted to offer this unique opportunity to buy a home in Barton Under Needwood that has never before been available on the open market.

The village offers a wide range of amenities including shops, post office, public houses, doctors surgery, eateries, Barton Marina and schooling at all levels. There are excellent transport links via the A38 to Burton, Derby, Lichfield, Birmingham and the A50.

This home offers fantastic potential to be extended and transformed into a spacious family home, subject to the necessary planning permissions. With its generous plot and detached layout, it provides the perfect foundation for creating a larger, modern family home tailored to your needs.

The front garden is mainly laid to lawn and a tandem driveway leads to the detached garage. The garage is accessed via up and over doors to the front and is equipped with power and lighting throughout. The garage also has an external door to the side.

As you step inside, the home opens into a welcoming entrance hallway with stairs to the first floor and direct access to both the living room and kitchen. The living room is a great size and runs the entire length of the original build. With a large window to front and doors leading to the separate reception room. To the rear of the lounge, a dual-aspect reception room, added as an extension by the current owners, offers a bright and versatile space. Ideal as a playroom, home office, or snug, it provides flexibility to suit a range of family needs. To the rear of the first floor, you will find the fitted kitchen, with access to a pantry cupboard and a side door leading to the rear garden.

To the first floor of this home, the property offers three generous sized bedrooms, two of which can comfortably fit a double bed with ample bedroom furniture. All of the three bedrooms share a family bathroom. The bathroom has a bath with mixer taps, w/c and wash hand basin.

One of the standout features of this home is the generous rear garden. Its size offers excellent scope for a substantial extension (STPP), while still retaining a fantastic outdoor space. The garden is beautifully private, not overlooked by neighbouring properties, and is mainly laid to lawn with secure, enclosed boundaries. Ideal for family life and outdoor entertaining.
