**36 Park View, Eagley, Bolton, Lancashire, BL1 7LE**

Situated in the Eagley conservation area, this deceptively spacious end terraced property was built in 1855 for one of the supervisors at Eagley Mills. Offering excellent accommodation and being set in its own gardens, this property must be viewed to appreciate the overall space and feature on offer. Having been sympathetically renovated and improved over the years, the property still retains many original features with delightful covings and mouldings throughout and a stunning original entrance doorway between the main living rooms and an extension added sometime around the late 1800s. The property is listed Grade II and comes with private gardens, an integral double garage, two reception plus large kitchen diner, utility, 5 double bedrooms, 3 bathrooms and a useful cellar. If character and unusual is what you are looking for then this is the one for you.

**Offers Over £425,000**

Only with internal and external inspection can the benefits of this family home be truly appreciated, set in its own grounds, this imposing and deceptively spacious end stone terraced property offers superb accommodation of over 2200 sqft over 4 floors. Currently comprising :- Open porch, entrance hall, lounge, sitting room, fitted dining kitchen with gas AGA, pantry, utility room, cloak room and double integral garage. To the first floor there are two double bedrooms, the master having an en suite shower and sink, family bathroom fitted with a four piece suite. To the second floor there are three more double bedrooms and another shower room, fitted with a three piece suite. To the basement there is a useful and dry cellar room that has the original stone tables used for food preparation and cold storage. Outside there are generous gardens to the front and side with patio areas and laid lawn with mature tree and shrub borders. to the rear is the double garage accessed from back Park View. Retaining many original features this property built c1855 for the Eagley Mills family and was thought to house one of the supervisors, extended around the turn of the century the addition can be seen in a photo dated to around the time of the extension, note the chimney that is no longer there. Bell pulls in the kitchen suggest that the family had servants either based in the adjoining property or in the cellar. The house offers superb family accommodation and must be viewed to appreciate all that is on offer.
