ABOUT

Flexible Office Spaces for Small Businesses

Our selection of modern office spaces are available with flexible letting terms and competitive, affordable pricing.

Our flexible office spaces are ideal for teams looking to collaborate in a unique, inspiring environment whilst having a secure, private office for when you need to get your head down and focus. All our flexible offices are equipped with state of the art technology, super-fast connectivity, and secure smart door entry, so you can come and go as you please.

We believe that working in an inspiring environment that supports your wellbeing, helps you and your team to reach your full potential and grow your business. That's why we have invested in beautiful interiors, ergonomic furniture and outdoor courtyards for you to relax in. When you need to stretch your legs, our neighbouring Finsbury Park is just a few steps away.

This is the future of work and you can experience it today at Oxford House.
