Sitting on a generous plot with plenty of parking at the front and a large rear garden, this extended detached home is considered ideal for a growing family. Step inside to find an inviting entrance hall with oak flooring, leading to a spacious lounge at the front with a bay window (just a note, the log burner is not included). There's also a versatile extra room—ideal as a sitting room, home office, or even a nursery. At the heart of the home, you'll love the large open-plan living, dining and kitchen area, which offers great family space and views of the garden. A handy utility room and downstairs toilet complete the ground floor.

Upstairs, the landing features a cosy window seat beneath the stained glass leaded window, and there are four bedrooms. The master bedroom is particularly generous and comes with its own en-suite shower room, while the rest of the family can enjoy a stylish four-piece bathroom complete with underfloor heating.

This is a fantastic family home and an early viewing is highly recommended to avoid missing out!
