Ratcliffe Road

Sileby, Loughborough, LE12 7PY

Sitting on a generous plot of around 1.43 acres, this detached home offers flexible living space across two floors and has fantastic potential to be extended—subject to the usual permissions—making it a perfect opportunity to create a spacious family home with a garden to match.

The property does require renovating, but it's been competitively priced to reflect the works required and the huge potential it offers. Inside, there's a porch and hallway, two reception rooms at the front, plus a kitchen, utility room and WC. Towards the rear, you'll find another kitchen, sitting room, two bedrooms and a bathroom—ideal for multi-generational living or flexible use.

Upstairs, there are three further bedrooms and another bathroom. But the real star of the show is the garden—it's a great size and really needs to be seen in person to appreciate just how special it is.

Outside, there's a driveway providing off-road parking, along with a garage that also offers extra storage space at the back and above.

All in all, this is a brilliant opportunity for anyone looking to create their dream family home and add their own personal touch.
