Flamstead End Road, West Cheshunt, EN8 0HH

Set behind secure electric gates, this stunning five-bedroom detached home offers privacy, elegance, and an exceptional space for both family living and entertaining. Originally built in the 1930s, the property has been extensively remodeled and upgraded, with the current owners recently completing a stylish lounge extension with skylight, a bespoke modern kitchen, and an open-plan dining area featuring full-length bi-folding doors leading to a spectacular outdoor kitchen and BBQ space.

With close to 3,000 sq. ft. of beautifully presented accommodation, the home blends contemporary and traditional interior design, offering a warm and inviting atmosphere. The versatile layout includes four reception rooms, a ground-floor shower room, and a modern kitchen/breakfast room designed for both practicality and style.

A self-contained annexe bedroom with a dressing area, kitchenette, and separate entrance adds even more flexibility—ideal for guests, a home office, or multi-generational living.

Upstairs, four spacious double bedrooms include two en-suites, with the master suite featuring its own dressing room, en-suite, and private morning terrace overlooking the beautifully landscaped garden. A further en-suite to bedroom two and a stylish family bathroom complete the first floor.

Outside, the property continues to impress. The newly laid driveway provides ample off-street parking, while the meticulously designed rear garden is a true highlight. A covered 'Al Fresco' dining area with an outdoor kitchen makes all-weather entertaining effortless, while two patio areas and a sunken seating area with a central fire pit create a stunning setting for year-round enjoyment. Two garden stores offer additional storage space.
