The Cow Shed

Bank Top Farm, Churnet Valley Road, Kingsley Holt
Staffordshire ST10 2BQ

This exceptional detached barn conversion has been remodelled and modernised to provide spacious modern accommodation for everyday living, yet still retains the character of a period property with some delightful features.

The property offers extremely versatile and spacious accommodation with four / five bedrooms, two bathrooms, master bedroom with en-suite, an entertaining lounge / dining room over 40 foot in length, a galleried landing overlooking the living space and a superb fitted kitchen, in total the accommodation amounts to just under 3000 square feet.

Approached down a long driveway to a courtyard area providing off street parking for several vehicles, to the rear of the property is a small lawned garden area with a paved patio / sitting area and two adjoining fields that amount to just under 8 acres (7.78). To the side of the property is a substantial Victorian hay barn that subject to the relevant permissions may lend the opportunity to be developed.

"The Cow Shed" is situated on the edge of the charming, rural village of Kingsley Holt, surrounded by the rolling hills and open countryside of the Staffordshire Moorlands. Kingsley Holt is well located for access to both Stoke-on-Trent and the East Midlands with access to the A52 at Kingsley and the A50 at Blythe Bridge.

The River Churnet's valley is considered one of Staffordshire's most beautiful landscapes and is very popular with those who wish to take advantage of the numerous walks and footpaths this area provides. Whilst the location is picturesque and feels very rural, it is well placed for travelling into the Potteries conurbation, or towards Derby and convenient for the market towns of Cheadle, Leek and Ashbourne. Approximately 15 miles to the north east is the heart of the Peak District, the first national park in the UK.

A viewing of the property is essential to fully appreciate the outstanding position and space on offer.

The property is offered For Sale with No Upward Chain involved.
