5 Walnut Lane, Hartford, Cheshire CW8 1QN

This is a rare and exciting opportunity to purchase a traditional detached family home located on one of Hartford's most prestigious tree lined lanes. Properties on Walnut Lane and the surrounding roads were commissioned by Brunner Mond in the 1920's to house their managers and senior staff and collectively now form part of the village conservation area. The property offers considerable scope for extension, subject of course to the necessary planning consents.

The property currently offers a welcoming entrance hallway that leads to all principal rooms including a charming formal sitting room overlooking the private rear garden and leading into the conservatory, a good size kitchen dining that is full of natural light from the triple aspect windows, a family room/snug again perfectly positioned to enjoy the rear aspect and a downstairs cloakroom. To the first floor you will find four generous size bedrooms, two bathrooms and a separate w.c. This handsome property sits proudly in a plot of approximately 0.28 of an acre and enjoys superb mature gardens and excellent privacy along with extensive driveway parking.
