Offers Over £500,000 Nestled within a wealth of greenery, the varying textures and tones of a rustic red brick façade instantly prompt a homely introduction. Stepping inside you'll find a hugely fluid ground floor compromises a trio of interconnecting reception rooms.

Sitting centrally within the layout an excellent family room has the versatility to cater to your own lifestyle needs. An accent wall and south-facing windows frame views of the greenery outside, while the generous dimensions open into a side porch with the eternal charm of a porthole window.

The triple aspect lounge prompts a sophisticated yet undeniably inviting air, pairing the warm tones of a wood floor with a palette of heritage colours. A working fireplace adds a perfect focal point, the sweeping curve of bay windows allows a lovely degree of natural light to filter in, and the subtle inclusion of a demi-glazed inner door enhances the easy flowing feel of the layout.

With an elegant working fireplace of its own, the considerable double aspect dining room is equally impressive. Ideal for day to day life, entertaining or celebrating key moments, it opens out onto a secluded paved patio and easily accommodates a sizable study/office area if needed.

Adding to the sense of space, a first class kitchen is fully fitted with beautifully chosen Shaker cabinetry. Extending seamlessly into an outstanding breakfast room it effortlessly creates somewhere that all ages will love to spend time. Supremely well-appointed with granite countertops, a butler sink, integrated appliances and space for a range cooker, the extensive kitchen has an enviable amount of storage and workspace, while an accent wall lends a rich dash of colour to a breakfast room that has space for a full-sized family dining table and relaxed seating.

French doors tempt you out onto the patio generating a great external link with the formal dining room and allowing the gardens to play an integral part of your daily life. A ground floor cloakroom is handy for guests and al fresco days in the garden.

The levels of presentation and attention to detail continue upstairs where a double aspect main bedroom with tasteful fitted wardrobes is a calm and restful sanctuary.
