With plush carpeting underfoot, the immaculate lounge is filled with sunlight from wide windows with leafy views.

Designed to let the enviable gardens play an integral part of your daily life, to the rear of the house a stunning kitchen and dining area produces a hugely sociable open plan space. In the accomplished kitchen the warming balance of wood grain cabinets houses a first-class array of integrated appliances. Sleek grey speckled stone worktops supply a wealth of workspace whilst a matching peninsular with stylish batten detailing adds central bar stool seating that gives both definition and unity to the free-flowing layout. A deep under stairs cupboards provides handy hidden storage and a double-glazed door gives direct access to the patio. Perfectly positioned to admire the garden, the excellent dining area extends out onto a paved patio via sliding doors, making it temptingly easy to step out into the sunshine.

The exemplary presentation continues upstairs where an opaque landing window lets a lovely measure of natural light tumble in and a trio of bedrooms each have fitted storage cupboards and far-reaching views. Tastefully chosen carpets match those of the lounge and together they share a deluxe family bathroom. Arranged in a glazed sage green metro tile setting, its contemporary suite includes an inset bath with a folding Crittall screen and overhead shower.

Outside to the front of the property deep shingle beds are fully stocked with the leafy foliage of established low-level trees and shrubs that subtly give a coveted level of privacy to the lounge as well as an attractive introduction to the lifestyle on offer. To the side a considerable brick paved driveway combines with a detached garage to provide a notable amount of private off-road parking. When it comes to relaxing and unwinding in the summer sun, the beautifully landscaped rear garden gives you every excuse to take time out from a busy day. A prodigious paved patio proffers a seamless extension of the dining area and kitchen making it easy to enjoy al fresco dining, while a cleverly secluded decked terrace sits to the rear of the garage set to the backdrop of contemporary slatted fencing. Borders of pristinely clipped mature shrubs and hedging pepper this inviting space with colour and interest throughout the seasons.
