Charles Orlebar presents - A wonderful family home which has been remodelled by the current owners to provide a lovely flow to the downstairs space. The new kitchen/dining space is immaculate and very light and airy. There is a separate reception room which is currently an office but could be a play room or snug. The entrance hall is imposing and gives the feeling of space straight away with built in storage, runner to stairs, bench with shoe storage and is stylishly decorated! Upstairs there are 4 double bedrooms, a family bathroom, jack and jill toilet to top floor and the master benefitting from an ensuite. Outside, the rear garden has been landscaped over 2 levels, with a huge patio - perfect for summer BBQs or childrens' garden toys. In addition to the patio there is a suntrap deck at the top and an outbuilding currently used as bar but would also make a great office! There is ample off road parking in front of the detached double garage. This is a home with so much to offer not just in terms of space but location too. Located in a quiet and sought after cul-de-sac within walking distance of Rushden Lakes' shops and restaurants, and also within walking distance of the independent shops and restaurants, and famers' market in Higham Ferrers too, and walking distance of Rushden's town centre for banks, restaurants and shops too.
